The Project

30 Thirty North Ocean is a chic-urban, beach lifestyle condominium located in the upscale Lauderdale Beach neighborhood in Fort Lauderdale. A boutique, five story, luxury development, it consists of just 24 “penthouse style” condominium units, each with unique 3 bedroom and 3½ bathroom floor plans.

30 Thirty offers the rare opportunity to live the “beach-side lifestyle” in an upscale single-family home community, with all the conveniences of luxury condominium living, yet at approximately half the price of this exclusive neighborhood’s typical single family home.

The contemporary design, by award winning Adache Group Architects, boasts large open balconies for convenient outdoor living, over-sized open floor plans, private elevators opening directly to each unit, and two parking spaces per residence. Amenities include a heated resort-style swimming pool, whirlpool spa, sauna, and a fully equipped clubhouse with fitness center.

Within walking distance of dining, shopping, entertainment, marinas and more, 30 Thirty North Ocean is an ideal combination of oceanside serenity and metropolitan lifestyle.

Fort Lauderdale, Florida

Inspired by 165 miles of waterway, 300 miles of blue wave beaches, and luxurious properties, Fort Lauderdale is known as the "Venice of America". Bordering the Atlantic Ocean it's just 23 miles (37km) north of Miami making it statistically part of the greater Miami metropolitan area.

Fort Lauderdale, the 8th largest city in Florida, attracts people from all over the globe to not only visit the yachting capital of the world, but to enjoy its year-round sunshine, upscale shopping, entertainment, sporting and thriving nightlife.

Whether you are here to stay or play the 4000+ restaurants, 63 golf courses, 12 shopping malls, 132 nightclubs, and 100 marinas holding over 45,000 resident yachts, Fort Lauderdale offers a lifestyle for all to enjoy.

The Neighborhood

With its private estates, sun kissed shores, secluded beach, and nearby boutique shops, Lauderdale Beach is one of the most prestigious beach-side neighborhoods in Fort Lauderdale. The ongoing investment and development is consistently setting new standards in both quality and prestige.

30 Thirty North Ocean Condominium is just 10 blocks north of the world famous Fort Lauderdale Beach, also known as "The Strip". From country clubs to the palm tree fringed beaches, this community has a lot to offer. Enjoy a wide array of cuisines, have a leisurely brunch at a sidewalk café, or sit along the Florida Intracoastal, with the pleasant interruption of the drawbridge unlocking to let through another multimillion-dollar yacht. Take a swing at the nearby 18-hole golf course, cycle to Las Olas Blvd, or bury your feet in the sand – your options are plentiful.
